- 1.2 Appendix T will apply as changed

- 1.3 RRS Appendix V1 shall apply.

2 NOTICES TO COMPETITORS

Notices to competitors will be posted on the official notice board located in the tent by the junior club house.

3 CHANGES TO THE SAILING INSTRUCTIONS

- 3.1 Any change to these sailing instructions will be posted no later than 0945 on the day they take effect.
- 3.2 Amendments may be made on the water by hailing on VHF 5 and receiving acknowledgement from each boat.

4 BOATS

- 4.1 Boats will be provided for all competitors, who shall not modify them in any way except as follows:
 - a) A compass may be tied or taped to the hull or spars.
 - b) Wind indicators, including yarn or thread, may be tied or taped anywhere on the boat.
 - c) Adhesive tape may be used anywhere above the water line.
 - d) The race committee will consider requests to further modify the boats and equipment that are adaptive aids specific to a competitor. Requests are to be submitted in advance and in writing.

- 4.2 All equipment provided with the boats for sailing purposes shall be carried while afloat.
- 4.3 Neither the able-bodied sailor (AB) nor the crew may sit forward of the mast during a race.
- 4.4 All competitors shall report any damage or loss of equipment, however slight, to the race committee immediately after securing the boat ashore. The penalty for a breach of this instruction, unless the jury is satisfied that the competitor made a determined effort to comply, will be disqualification from the race most recently sailed.

5 BOATS, CREW AND AB ASSIGNMENTS

- 5.1 Boat assignments for the regatta will be made by the organizing authority at or before the Competitors’ Meeting on Thursday, June 1. Teams will sail the same boat throughout the regatta unless there is a breakdown and written approval to substitute another boat is received from the race committee.
- 5.2 The organizing authority (OA) will endeavor to pair sailors who register for the regatta without a crewmate. If the OA is unable to do so, it may substitute an able bodied sailor for the second disabled sailor. This will not be grounds for redress.
- 5.3 All AB assignments for boats not providing their own AB will be made by the organizing committee.
- 5.4 It is the sole responsibility of the skipper of each boat to ensure that the AB assigned to her boat by the OA is the AB that actually sails with the boat. Any boat that sails with an AB other than the one assigned or pre-registered shall be disqualified from those races sailed with the unassigned AB. Appendix A contains additional instructions and restrictions that apply to ABs.
- 5.5 The penalty for a breach of sailing instruction 5.1 or 5.4 will be disqualification from all races sailed in contravention of the instruction.

Sailing Instructions Appendix A

- 1 All sailors with disabilities must use adaptive seats while racing except boats helmed by a blind person.
- 2 Use of Personal Flotation. All competitors shall wear a U.S. Coast Guard (USCG) approved personal flotation device (PFD) while on the water, other than for brief periods while adding or removing clothing. Competitors from outside the U.S. may wear a PFD approved by their nations' certification authority to the extent permitted by international treaty.
- 3 An able-bodied crew (AB) will be on board each boat during all racing.
- 3.1 All ABs will be assigned to boats in accordance with sailing instruction 5.
 - a) The primary duty of the AB is the safety of the other team members and of the boat.
 - b) It is the intent of the Robie Pierce Women's Invitational Committee that the disabled team members shall perform all possible activities on board the boat, with only the most limited assistance possible from the AB while racing. In general, the AB is permitted to do for a contestant only that which she would be capable of doing for herself were it not for the disability that qualified her for this regatta.
 - c) The AB may perform the following activities while racing as long as such activities conform to the spirit and intention of sailing instruction Appendix A 3.1.b:
 - i Steer the Ideal 18 for brief periods of time, but only to regain control of an out-of-control boat, or to avoid an imminent collision where injury or damage is likely to occur.
 - ii Cleat or uncleat any Ideal 18 running rigging at any time, but only at the direct request and under the direct supervision of one of the disabled team members.
 - iii Trim either the main sheet or the jib sheet, but not both, as the Ideal 18 rounds the leeward mark, or during the pre-start as a boat assumes her proper course to start, but only at the direct request and under the direct supervision of one of the disabled team members.
 - iv Release the main sheet as the Ideal 18 prepares to round the windward mark, but only at the direct request and under the direct supervision of one of the disabled team members.
 - v. The AB may help the helmsperson with concentration as it applies to sailing too low or too high.
 - vi. Hold out the jib wing-on-wing on downwind legs only on the side opposite from the forward crewperson unless that person's disability prevents winging the jib on that side.
 - vii. AB for a blind crew will act as "sighted guide" and may call tactics and provide sail trim directions as appropriate.
 - d) The AB may sit on the windward rail of the boat at any time and may hit out. In the case of a blind team, the AB may sit on the rail only when the other crew members are sitting inside the boat on opposite sides.
 - e) It is the Ideal 18 skipper's responsibility to ensure that the crew and AB are acting in accordance with all provisions of the notice of race and sailing instructions, and any other rules governing the regatta.
- 4 The number of partners in the mainsheet of the Ideal 18s may be reduced from three to two if sailing under full main and jib at the discretion of the competitor.
